

PRESS RELEASE – Aug. 11, 2016
Government Relations: 972-624-3108

Main Street traffic switch: Aug. 12

THE COLONY, Texas — As part of an effort to keep residents informed, officials with the City of The Colony are in continuous contact with representatives from the Texas Department of Transportation regarding the progress of the Main Street Widening Project.

In addition to lane closures, we feel it important to provide residents with notices of traffic switches because lanes may be configured differently than the last time you drove them. Motorists are encouraged to focus on the roadway in order to avoid accidents from being in the wrong lane.

Upcoming or ongoing switches are listed below. *You may need to refresh your browser to view the most-current document.*

Traffic Switch

The following roadwork is scheduled for 9 a.m. to 3:30 p.m. Friday, Aug. 12:

- southbound lanes of Main Street between Carr Street and The Colony Government Center (6301 Main St.) will be shifted to the west onto newly paved road. Motorists are advised to be mindful of new traffic flow and drive with caution in the area.

During construction, the Engineering Department will also post updates and information regarding the overall progress of this project at <http://thecolonytx.gov/Resident/RoadRepairs.html>, including when and where specific work will take place. In addition, updates can be found on the city's social media and in the bimonthly electronic newsletter. If you have additional questions, you may email Director of Government Relations Brant Shallenburger at bshallenburger@thecolonytx.gov or call 972-624-3108.
